

Upgrade Your Equipment, Elevate Your Business: Cass Commercial Bank Launches New Equipment Finance Division

March 28, 2024

ST. LOUIS--(BUSINESS WIRE)--Cass Commercial Bank, a solid financial institution with a legacy of 117 years, is excited to announce the launch of its recent Equipment Finance Division. Designed to unlock the potential of capital assets across industries, this new division offers tailored equipment leasing solutions to finance growth, improve capital efficiency, and drive businesses forward.

"Leasing frees up your working capital, allowing you to invest in other critical areas of your business," said Dwight Erdbruegger, President of Cass Commercial Bank.

Our equipment financing offers a cost-effective way to access vehicles, machinery, and technology, helping you get ahead and stay ahead of the competition. "No two businesses are alike, and neither are their equipment needs. We work closely with you to design flexible, customized solutions that align with your business goals, cash flow, and industry requirements," added Erdbruegger.

Cass Commercial Bank's Equipment Finance Division boasts a seamless process and quick turnaround, ensuring minimal paperwork, quick approvals, and efficient solutions to your capital needs. Businesses can acquire the equipment they need without the wait, keeping their operations running smoothly.
