

Mark Campbell Promoted to President of Transportation Information Systems (TIS) Division of Cass Information Systems, Inc. (NASDAQ: CASS)

02/17/15

ST. LOUIS – **Mark Campbell** has been promoted to president of the **Transportation Information Systems (TIS)** division of **Cass Information Systems, Inc. (NASDAQ: CASS)**, the nation's leading provider of transportation, utility and telecom invoice payment and information services. Campbell succeeds **John F. Pickering**, who is retiring after holding the post since 1998.

Campbell joined Cass in 1988 as a client account manager and in the ensuing 26 years has held roles of increasing responsibility including, most recently, TIS executive vice president.

He earned a bachelor's degree in business administration from **Truman State University** in Kirksville, Mo. and a master's degree in business administration from **Washington University in St. Louis**.

Cass has been involved in the payables services and information support business since 1956. It currently disburses over \$38 billion annually on behalf of customers from locations in St. Louis, Mo., Columbus, Ohio, Boston, Mass., Greenville, S.C., Wellington, Kansas and Jacksonville, Fla. The support of **Cass Commercial Bank**, founded in 1906, makes Cass unique in the industry. The company is part of the **Russell 2000® Index**.
